

Norristown Garden Club Scholarship Rules and Information

1. All Scholarships are awarded annually to college students who plan to further their education in:

Agriculture Education
Agronomy
Botany
Conservation
Environmental Concerns
Floriculture

Horticulture
Land Management
Landscape Architecture
Plant Pathology
And/or Related Fields

2. **Residents** of Berks, Bucks, Chester, Delaware, Montgomery, or Philadelphia counties in Pennsylvania enrolled in full-time, horticulture-related programs are encouraged to apply. **Non-residents** will be considered if attending a full-time, horticulture-related program at an academic institution in the above Pennsylvania counties.
3. Several scholarships, not less than \$2,000, are available in amounts to be determined by NGC.
4. As long as high academic standing is maintained and need is apparent, a student is eligible to reapply for a scholarship for the following year.
5. Scholarships will be distributed to the Financial Aid Office of the student's chosen school to be applied to the student's tuition.
6. The Judging Panel uses the following formula to judge scholarship applications:

Academics	40%
Applicant's Letter, Letters of Recommendation	25%
List of Honors	10%
Financial Need	20%
Recommendation of Norristown Garden Club Member	5%

7. **Application must be received NO LATER THAN April 30th.**

8. Applications may be obtained at the Norristown Garden Club website:
